Is God Calling You to Serve?

Holston Camp and Retreat Center is a ministry of the Holston Presbytery of east Tennessee. God calls us into the “wilderness” to be renewed and grow in our faith and understanding of our relationship with God, other people, and our earth. Holston Camp offers a transformational experience for campers and for staff. Summer camp staff provide a nurturing Christian community for young people. Summer staff influence lives and provide positive role models for young minds and hearts. Become a summer staff member at Holston Camp and serve God by growing in your faith and serving others on their spiritual journey. We provide the training, room, board, and competitive wages.

Our Objective and Philosophy

“In lengthy discussion of the objectives and philosophy of our camp and conference program, all agreed that camping should be done in small groups, informally, out-of-doors and in simple housing facilities, with activities that are different from what can be done at home or in our local church programs. Care should always be taken to instill in each camper a healthy respect for nature, a loving response to the God who has given us this beautiful world, and a personal commitment to the One whom this same God has sent, providing for our spiritual needs as well as our material needs, even Jesus Christ, in whom all life is abundant.”
