BEFORE CAMP (SEE COVID-19 POLICY)

A general health form is required for each camper, which includes the doctor’s contact information. It is part of the online registration process. Additional health forms are available on the day of registration check-in.

Other activity waivers are required for some off-campus activities such as white-water rafting. These are available through the online registration process. Additional waivers are available on the day of registration check-in.

SPENDING MONEY

THIS YEAR WE WILL NOT BE OFFERING CANDY, ICE CREAM, SNACKS , AND DRINKS AT THE CAMP STORE. Parents may visit the camp store on the day of registration and the day of pickup to purchase apparel, water bottles, flashlights, batteries, toiletries and other sundries as necessary. We suggest you DO NOT send money with campers to spend at off-site destinations.

CABIN BUDDIES

Your camper may request a cabin mate. The cabin mate should also list your camper’s name on their registration form. Please keep in mind that campers will be housed by age and gender.

CAMPER MAIL

Mail can be an exciting highlight to a camper’s day. Please write cheerful letters expressing your interest in what is happening at camp. Short happy thoughts are best. Mail can be sent prior to camp or can be provided on registration day. Please do not send food!

the event of an emergency at home, be prepared to leave a message for the Director or Office Manager and your call will be returned as soon as possible. If you have questions about camp, please contact us during our normal business hours: 8AM-5PM, Mon-Fri. Emergency: (844) 465-7866 or after hours at (423) 202-1655 (Director's cell).

BIRTHDAYS

Birthdays are special occasions at camp! To assure a celebration, please alert the Summer Program Director or counselors on registration day.

CAMP BEHAVIOR

Campers are expected to behave in a socially acceptable manner while engaging in community activities. Disruptive behavior that continues to occur and impairs the ability of other campers to enjoy themselves will not be tolerated. The Director may send disruptive campers home. Please review this information with your camper so camp is enjoyable experience for everyone present.

FOOD

Meals at camp are nutritionally balanced and prepared by qualified, experienced staff. Snacks are also provided! Please do not send snacks with your camper – food is not allowed in the cabins. Any dietary restrictions (allergies or otherwise) should be noted on the registration form so that the kitchen manager can anticipate the need. We can accommodate most dietary requirements (gluten free, lactose intolerance, nut free, etc.). If your camper has a dietary restriction and you must send food, please see the Summer Program Director on registration day.

VALUABLES

Please refrain from bringing valuable items to camp. They are easily lost or misplaced. Eno hammocks, clothing, and the like should be marked with camper's name so as not to be confused with other camper's items.

HOMESICKNESS

Homesickness is a natural feeling that many campers experience. Usually the feeling passes in a couple of days and the camper enjoys the rest of their session. If a camper becomes homesick, the staff is supportive and helpful in overcoming these feelings, and encourages the other campers to be as well. Parents and friends can write cheerful letter of support and encouragement to help them enjoy their stay at camp. Extra special letters with comics, jokes, puzzles, etc. can be sent. Avoid writing about stressful events at home; concentrate instead on questions about camp activities, buddies, food and weather. We encourage you to send mail before a camper arrives or bring it on registration day. Since talking with parents directly via phone increases a camper's homesickness, we do not allow a phone call between you and camper. If homesickness continues for an extended period of time, the Camp Director will notify you by phone.

CAMP LIFE

Campers should expect that camp will be different than home--different beds, bathrooms, food, etc. Campers will also be meeting new people. If your camper has never been here before, it may seem a strange place, but we will make every effort to help your camper feel safe and secure. Campers will be able to choose some activities and expected to participate with the group in other activities. Campers will be grouped based on age and gender. The activities, meals, and rest time provide the framework for each group's daily routine. We want all campers to have a fun and memorable experience at camp.

LAUNDRY AND BEDWETTING

PO Box 428 Banner Elk, NC 28604
info@holstoncenter.org; www.holstoncenter.org
844-465-7866 Phone

No laundry facilities are available to the campers. Emergencies such as bedwetting will be handled by the counselor in a discreet manner. If your camper has a bedwetting problem, please let us know and send extra sheets.

LOST & FOUND

All lost and found items will be kept at the camp for one week after the close of the season. When you pick up your camper, please check to make sure they have all their belongings. Call the camp immediately if you determine that something is missing. If the missing item is found, we can mail it (may incur a fee) or you may come to retrieve it. The best prevention is to label all items with your camper's name.

VISITORS

It is not possible for campers to have visitors during the camp session. Because of the short time your camper is here, most visitation has a negative effect and promotes homesickness. You are welcome to tour camp on registration day or attend Family Camp.

CANCELLATION/REFUND POLICY (SEE COVID-19 POLICY)

If your camper is unable to attend camp as planned, please notify us by calling 844-HOLSTON. We do not wish to be punitive to our camper families that must cancel their reservation. Refunds will be considered under the following circumstances:

- Unless there are extraordinary circumstances, the deposit fee of \$50 is non-refundable.
- Parents may request a refund for the full balance minus the deposit fee if cancellation is made 14 days prior to the first day of camp.
- If a camper is sent home by the Director, refunds will be issued on a pro-rated basis.

MAIN CAMP VS. RUSTIC CAMP: "WHAT'S THE DIFFERENCE?"

Main Camp is comprised of 5 heated, block cabins each sleeping 16 in bunks. Each cabin has 2 lavatories, 2 private toilets and 2 private tub/showers. Main Camp cabins are located near the Dining Hall, main parking area, and Worship Point. Campers may be housed in Bell's Bungalow or Grigsby Dorm. *Bob's Hideaway or Rocky Knob may be used for older campers depending on the enrollment. These are primitive campsites.*

Rustic Camp is comprised of 5 primitive campsites. Each campsite has 2 open air, screened in cabins that sleep 8. (Some cabins have bunks while other have Eno hammocks.) Each Rustic campsite has a cook shelter, picnic tables, sink with fresh water, wood fire grill, utensils, and campfire circle. Rustic Campers use the Rustic bathhouse. The bathhouse is clean and well lit. There are separate male and female bathrooms. Each bathroom has 3 lavatories, 3 toilets, and 3 shower stalls. The bathhouse has hot water.

WHAT TO BRING TO CAMP

*These are suggestions only. Your camper may not need all items. Please realize that the temperatures do drop to the 50s in June and July at night and rain is likely. Campers will get wet, dirty, and sweaty so a change of clothing for 6 days and 5 nights is strongly recommended. **Bold Items are strongly recommended.***

Please note that Hickory Nut Gap Rd is extremely curvy from Newland to Banner Elk. From Newland, we recommend taking NC-181 toward Linville, left onto NC-105 toward Boone and left on NC-184 to Banner Elk. In 3.8 miles, turn left onto Hickory Nut Gap Rd. Holston Camp is 1 mile on the right.
